Having good information about your health is essential. At Longmont United Hospital, we believe an educated community is a well community. We offer consumers and medical professionals free access to all the resources of our medical library - health information you can trust, provided in a comfortable environment.

Join us for an open house in the Health Information Library on October 18th, from 8 a.m. - 1 p.m. Meet our librarian, learn how to use online medical search tools, and talk with diabetes educators. **Mitchell C. Carson, President and CEO** of Longmont United

**Hospital**, will receive an award for his outstanding support of medical libraries. This honor from the Colorado Council of Medical Librarians and the University of Wyoming Librarians is the first of its kind to be received by a hospital administrator.

The medical library will also unveil its new website, which is accessible by going to [www.luhcares.org](http://www.luhcares.org) and clicking on the "LUH Consumer Library" link.
